The screenshot displays the 'Study Planner' app interface. At the top, it says 'Welcome to Study Planner' and 'Your Personal Study Management Tool'. Below this, there are four bullet points describing the app's features: 'Add and manage tasks', 'Set reminders', 'Track progress', and 'Customize study plans'. A small text prompt asks the user to 'Please log in or sign up to get started.' The main section is titled 'Study Planner' and contains a 'Login or Signup' dropdown menu. The 'Signup' option is selected. Below the dropdown, there are input fields for 'Email' and 'Password', and a 'Submit' button. The 'Email' field is currently empty, and the 'Password' field has a toggle icon for visibility. The 'Submit' button is located at the bottom of the form.

Task Management

Adding a Task

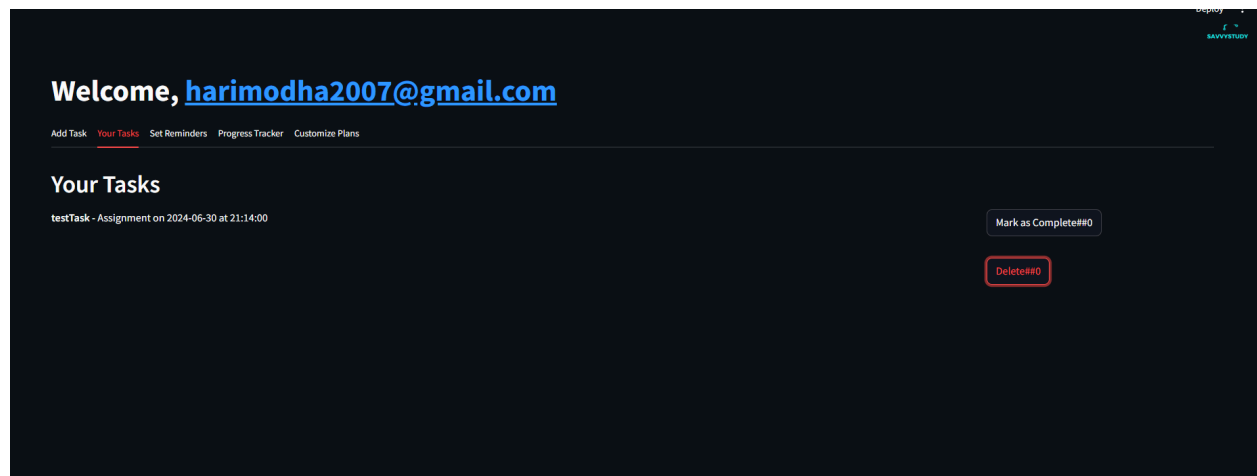

1. Navigate to the "Add Task" tab.
2. Fill in the task details:
 - **Task Name:** Enter a descriptive name for your task.
 - **Task Type:** Select the type of task (Assignment, Study Session, Exam).
 - **Due Date:** Choose the due date from the calendar.
 - **Due Time:** Set the due time.
3. Click "Add Task" to save the task.

The screenshot shows a web application interface with a dark theme. At the top right, there is a 'Deploy' button and a user profile icon. Below the header, a welcome message reads 'Welcome, [harimodha2007@gmail.com](#)'. A navigation bar contains links: 'Add Task' (highlighted in red), 'Your Tasks', 'Set Reminders', 'Progress Tracker', and 'Customize Plans'. The main section is titled 'Add New Task' and contains a form with the following fields: 'Task Name' (text input with 'testTask' and a 'Press Enter to submit form' hint), 'Task Type' (dropdown menu with 'Assignment' selected), 'Due Date' (calendar input showing '2024/06/30'), and 'Due Time' (dropdown menu with '21:14' selected). An 'Add Task' button is located at the bottom left of the form.

Viewing and Managing Tasks
